CHMKS Govt. Higher Secondary School

#### SSLC

2018  
Safa English Medium School

### Languages

English Malayalam  
Fluent Native

### Interests

Chess Travelling Puzzles

### Objective

To work with a creative team that motivates me to go an extra mile, and carry out challenging tasks for them. I always wanted to work with an employer who can utilize my skills to the maximum.

### Experience

Internship at Luminar Technolab | MEA(R)N Stack Developer  
Jun 2023 - Jan 2024

Skills Developed :

- Implemented front-end solutions with Angular and React.
- Developed server-side logic using Node.js and Express.js.
- Designed and managed MongoDB databases, optimizing data storage and retrieval processes.

Btrac Kannur | Internship in Python using Django

Jul 2022 - Mar 2023

Skills Developed :

- Developed and maintained web applications using Python and the Django framework.
- Configured and maintained XAMPP for local development, ensuring a reliable and secure database connection during the development phase.

### Projects

#### Task Management Software

Developed a robust Task Management Software using React for the frontend and MongoDB for the backend. The software follows Software Development Life Cycle (SDLC) to efficiently manage and track tasks assigned to company employees.

#### ReRun

Developed an E-commerce website using Python with Django framework and XAMPP for database connectivity. A platform to sell secondary products and promotes a circular economy and helps reduce waste in the environment.

### Achievements

- Elected as University Union Councillor representing St. Joseph's College, Pilathara (2023)
- Awarded as best NSS Volunteer in Higher Secondary (2020)
